We will work with you to meet your clients' needs. Our ability to serve policyholders is backed by strong financial ratings and superior underwriting and claims expertise.

We are a recognised market leader in Life Science and Clinical Trials and recently launched a revolutionary global clinical trials product, which can provide clients with vital local policies and certification in over 90 countries on a "just in time" basis.

Key covers provided include:

- Public and Products' Liability
- Employers' Liability
- Life Science Packages
- Excess and Umbrella Solutions
- Package Policies (including Medical Malpractice, Professional Indemnity and Errors and Omissions extensions)

By utilising our Lloyd's licences we have a global reach greater than any insurance company and we use this ability to full effect in offering insurance on a single territory or multinational basis. For global risks with US domiciled exposures, we, in partnership with Hudson Insurance Group, our sister company, have the capability to write local CGL policies in the US.

With capacity of up to GBP 15m / EUR 22.5m / USD 25m / CAD 26.25m or AUD 37.5m per product line, we can write business on a primary, excess and reinsurance basis. Target sectors include:

- Pharmaceutical, Biotechnology and Life Science
- Nutraceuticals
- Manufacturing Industry
- Recruitment and Labour Supply
- Rail Infrastructure and Operation
- Oil & Gas Sector
- Automotive Industry
- Education
