Our ability to serve policyholders is backed by strong financial ratings and superior underwriting and claims expertise.

We recognise that all Clinical Trial Research Programs are different. It is, therefore, vital that we maintain a flexible approach to the insurance requirements of our clients, in order that we are able to offer the best possible solution. We are prepared to offer specific unrivalled policy solutions on the following basis:

Types of Insurance Solutions

- Life of Trial Policies
- Country Specific Annual 'All Trial' Policies
- Bespoke, Multi-Country Annual or Life of Trial Policies
- Global Master Difference in Conditions / Difference In Limits Policies
- Follow Form Excess of Loss Policies

Unparalleled Service

We endeavour to respond to all quotation requests within one working day of receipt of the required underwriting information. Further, for countries where Lloyd's is licensed to write insurance on a direct basis, subject to receipt of all additional country information necessary to issue policy documents, we aim to issue fully compliant policy documentation within one working day of receipt of binding instructions.
